PETITIONING THE COURT

To issue a warrant and incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on August 4, 2025

On January 18, 2023, an officer with the U.S. Probation Office in Spokane, Washington, reviewed a copy of the conditions of supervision with Mr. Jennen, as outlined in the judgment and sentence. He signed the judgment acknowledging the requirements.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

3

Special Condition # 3: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: It is alleged Mr. Jennen is in violation of his conditions of supervised release by using methamphetamine on or around August 10, 2025.

On August 11, 2025, Mr. Jennen reported to the probation office to submit to random urinalysis testing. While Mr. Jennen was getting ready to submit to testing, urine began spraying all over the bathroom. The undersigned officer observed a deception device being

used by Mr. Jennen in an attempt to pass his urinalysis test. Mr. Jennen was asked to remove the device and he complied.

Mr. Jennen was questioned about his decision to use a deception device and he admitted to consuming methamphetamine the day prior, August 10, 2025.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court, and that the Court issue a warrant.

I declare under penalty of perjury that the foregoing is true and correct.
